Good news for your golden years.

Our physical strength, skin elasticity and fertility may all peak when we’re young – but new research has determined that the best years for our brains are actually much later in life.

- Gilles E. Gignac (associate professor of psychology at the University of Western Australia) wrote: “For many of us, overall psychological functioning actually peaks between ages 55 and 60.”
- It doesn’t begin to decline until around 65 – and the decline gets steeper only after 75.

An article by Gerald McGlothlin titled “[President] Obama’s Final Booby Trap” was posted at americanthinker.com on Sept. 27, 2025. Following are excerpts of the article.

In the final days of the Obama presidency (while Americans were focused on inaugurating a new president and turning the page on a divisive era) President Barack Obama signed a quiet but sweeping executive order that many now see as a ticking time bomb planted in the heart of our Intelligence Community.

On January 3, 2017 (just 17 days before Donald Trump’s inauguration), Obama signed a modification to Executive Order 12333, authorizing the National Security Agency (NSA) to share raw signals intelligence (SIGINT) with all 16 other intelligence agencies – including the FBI, the CIA, and even obscure agencies like the Drug Enforcement Administration’s intel wing.

At face value, the stated purpose was to “streamline intelligence sharing” and “improve coordination” in the age of global terrorism.

But the conservatives saw something else: A calculated move to weaponize the intelligence apparatus against a political outsider (Donald J. Trump) before he could even take the oath of office.

Isaiah 55:6-11—“Seek you the Lord while He may be found, call upon Him while He is near. Let the wicked forsake his way, and the unrighteous man his thoughts; let him return to the Lord, and He will have mercy on him; and to our God, for He will abundantly pardon. ‘For My thoughts are not your thoughts, nor are your ways My ways,’ says the Lord. For as the heavens are higher than the earth, so are My ways higher than your ways, and My thoughts than your thoughts. For as the rain comes down, and the snow from heaven, and do not return there, but water the earth, and make it bring forth and bud, that it may give seed to the sower and bread to the eater, so shall My word by that goes forth from My mouth; it shall not return to Me void, but it shall accomplish what I please, and it shall prosper in the thing for which I sent it.”
