Luke 21:34-36—“But take heed to yourselves, lest your souls be weighed down with self-indulgence, and drunkenness, or the anxieties of this life, and that day come on you suddenly, like a falling trap; for it will come on all dwellers on the face of the whole earth. But beware of slumbering; and every moment pray that you may be fully strengthened to escape from all these coming evils, and to take your stand in the presence of the Son of Man” (Weymouth New Testament).

NYC Mayor Zohran Mamdani threatens to violate international law and UN agreements in order to attack Jewish leader Netanyahu, calls on Feds to execute a warrant
<https://www.foxnews.com/politics/watch-tlaib-joins-mamdani-netanyahu-arrest-push-fellow-house-dem-rejects-effort>
<https://www.jpost.com/opinion/article-902882>

“... [Zohran Mamdani](#) told *The New York Times* this past week that Benjamin Netanyahu “belongs in the Hague,” and said his administration is in “active conversation” with the

city's law department about ordering the [NYPD](#) to arrest the prime minister of Israel when he arrives for the UN General Assembly. ...

"The 1947 Headquarters Agreement obligates the United States to admit world leaders traveling to the UN. Neither the United States nor New York City is a party to the Rome Statute. And no state in history, sovereign or otherwise, has executed an international arrest warrant against a sitting head of government. Not once. ...

"A word to the diplomats and intellectuals tempted to shrug this off as municipal noise. International law survives on the belief that it applies to everyone, or it protects no one. "
