Thanksgiving comes just once a year
As the calendars all will say.
But we must show God we are thankful
Each and every day.

At this very special time of year
Our families gather around.
We smell and eat such tasty food.
Conversation is such a joyful sound.

But something is often missing this day.
People forget our God above.
He has provided all of this abundance
To show us His sincere love.

So let’s count all our blessings
And let Him hear us say,
“Thank You, God, for all Your goodness,”
Next time we kneel and pray.
