Luke 21:34-36—"But take heed to yourselves, lest your souls be weighed down with self-indulgence, and drunkenness, or the anxieties of this life, and that day come on you suddenly, like a falling trap; for it will come on all dwellers on the face of the whole earth. But beware of slumbering; and every moment pray that you may be fully strengthened to escape from all these coming evils, and to take your stand in the presence of the Son of Man" (Weymouth New Testament).

A posting by a climate group called "Now or Never" titled "Our Politicians Are Failing Us" was posted at [nowornever.earth](http://nowornever.earth) in July 2022. Following are their stated plans.

---

As the seas rise, they cower. As the ice melts, they sit idly by. As

forests burn and storms rage, they mingle with billionaires and pretend that everything's fine.

Joe Manchin and the GOP are burning our planet for profit. It's time for Democrats to go all out on climate.

Failure is not an option. This summer may be their last chance. So we're leaving everything on the field to protect our families and our future. Here is our three-part plan.

### **Part 1**

On July 28, we will converge en masse on the Congressional Baseball Game. Manchin and the GOP are torching our planet and accelerating inflation—all to make their polluter friends even richer.

Democrats need to step up, or risk losing our generation: to apathy and despair, to heat waves and wildfires.

We will not stand by, watching politicians from either party play games while the world burns. Everything we love is at stake. Our safety, our future, our one and only home. It's time to leave everything on the field.

### **Part 2**

Next: If we don't have strong climate action by August 5, we will hold actions in multiple states across the country in protest of this failure.

Our politicians need to understand—if they fail to seize this moment and address the climate crisis, they will lose our lives and our votes.

### **Part 3**

September 30 is our last stand. On this day, Congress is scheduled to leave Washington for an extended recess that lasts through the November election.

If no major climate legislation has passed by this date, we will organize a highly disruptive, mass direct action that fundamentally disrupts business-as-usual in D.C.

An article by Monica Showalter titled "Al Gore Is Baaaack" was posted at [americanthinker.com](http://americanthinker.com) on July 26, 2022. Following are excerpts of the article.

---

With the global warming agenda on the rocks and greenie measures absolute failures around the world, who should come to its rescue but Al Gore?

The green agenda is falling into complete discredit, what with the example of Sri Lanka (which “went green” and saw Its economy collapse) and the Netherlands (whose green agenda set off a mass agricultural sector revolt).

Similar collapses for similar reasons are brewing in Pakistan, Panama, Canada, Italy and other places. Bankruptcy, dictatorship and actual hunger are the rubble of the environmental wackoism and the byproducts of “going green” that have overtaken the world in the wake of Gore’s initial entry into green wackosim.

Democrats are desperate for reassuring leadership, and Gore mouths all the truisms for them—wrapped in a familiar and reassuring persona. The press has always eaten up whatever Gore has said, no matter how absurd and out of touch. Gore in all his glory emerges as the zombie to the dying greenie agenda.

Isaiah 55:5-11—"Seek you the Lord while He may be found, call upon Him while He is near. Let the wicked forsake his way, and the unrighteous man his thoughts; let him return to the Lord and He will have mercy on him; and to our God, for He will abundantly pardon.

'For My thoughts are not your thoughts, nor are your ways My ways, says the Lord. For as the heavens are higher than the earth, so are My ways higher than your ways, and My thoughts than your thoughts. For as the rain comes down, and the snow from heaven, and do not return there, but water the earth, and make it bring forth and bud, that it may give seed to the sower and bread to the eater, so shall My word that goes forth from My mouth; it shall not return to Me void, but it shall accomplish what I please, and it shall prosper in the thing for which I sent it.'
