---

- Number one

“The Wuhan Institute of Virology – which studies not just viruses, [but] studies coronaviruses; not just coronaviruses, [but] coronaviruses derived from bats – which is located just a couple hundred yards from the wet market where this outbreak first occurred in Wuhan, China. By the way, those bats don’t occur naturally in China, any closer than 900 miles away, and yet a few

hundred yards from the lab, that's where the outbreak occurred.”

- Number two

“In November of 2019, before the pandemic, three separate researchers at the Wuhan Institute of Virology were hospitalized, went and checked themselves in for serious ailments, ailments that suggest that they may have been the very first people with Covid-19. In fact, that might have been how it escaped.”

- Number three

“After the Pandemic began, the Chinese government actively destroyed the samples at the Wuhan Institute for Virology – destroyed them, and they also disappeared the whistle blowers.”

Cruz said: “China bears the responsibility and the entire corporate Media (CNN, MSNBC, all of the Alphabet Soup, The Washington Post, The New York Times). Not only did they not cover this, they eagerly repeated the Democrat talking points and the talking points from the Chinese Communist government.”

Cruz said: “It was dishonestly and profoundly corrupt.”

**Isaiah 55:6-11—“Seek you the Lord while He may be found, call upon Him while He is near. Let the wicked forsake his way, and the unrighteous man his thoughts; let him return to the Lord, and He will have mercy on him; and to our God, for He will abundantly pardon. ‘For My thoughts are not your thoughts, nor are your ways My ways,’ says the Lord. For as the heavens are higher than the earth, so are My ways higher than your ways, and My thoughts than your thoughts. For as the rain comes down, and the snow from heaven, and do not return there, but water the earth, and make it bring forth and bud, that it may give seed to the sower and bread to the eater, so shall My word by that goes forth from My mouth; it shall not return to Me void, but it shall accomplish what I please, and it shall prosper in the thing for which I sent it.”**
