Luke 21:34-36—“But take heed to yourselves, lest your souls be weighed down with self-indulgence, and drunkenness, or the anxieties of this life, and that day come on you suddenly, like a falling trap; for it will come on all dwellers on the face of the whole earth. But beware of slumbering; and every moment pray that you may be fully strengthened to escape from all these coming evils, and to take your stand in the presence of the Son of Man” (Weymouth New Testament).

An article by Ben Shapiro titled “The Evil of Cowardice” was posted at dailysignal.com on Sept. 4, 2024. Following are excerpts of the article.

On Saturday night, the Israeli military made a macabre and horrifying discovery: the slain bodies of six hostages taken by Hamas, including American citizen Hersh Goldberg-Polin.

All six hostages had been shot point-blank in the head some 48-72 hours prior, presumably upon the approach of Israel Defense Forces soldiers; Hamas terrorists chose to murder the hostages they had held in terror tunnels for over 300 days rather than risk their liberation.

The discovery sent the entire nation of Israel into mourning. On October 7, Israelis were forced to remember that the enemy they face is not merely violent, but purely evil.

In subsequent months (with the extraordinary progress of the IDF in Gaza over the protestations of the Biden administration), Hamas’ evils were relegated once more to the realm of military conflicts. But the very thought of these victims (Goldberg-Polin, 23; Eden Yerushalmi, 24; Ori Danino, 25; Alex Lobanov, 32; Carmel Gat, 40; and Almog Sarusi, 27) suffering without sunlight, food, or water for nearly a year, all to be shot to death within hours of their possible freedom, reopened all the wounds of October 7.

It turned out that all the diplomatic overtures made by America (overtures largely accepted by the supposedly intransigent administration of Israeli Prime Minister Benjamin Netanyahu) meant nothing.

As Netanyahu pointed out, “whoever murders hostages does not want a deal.”

That was predictable enough, given the fact that Hamas' chief goal is its own survival – a goal directly at odds with Israel's necessary goal of extirpating Hamas. That is why Hamas has consistently declared for months that there would be no hostage release without a full Israeli withdrawal from Gaza – along with the discharge of hundreds of convicted terrorists and murderers. Anything less than survival for Hamas is a loss.

- Dead Palestinians help Hamas achieve its goal of pressuring Israel.
- Dead hostages help Hamas achieve its goal of pressuring Israel.

And yet the immediate response of America and Great Britain has been to push Israel into more concessions. Asked whether Netanyahu had done enough to secure the hostage release, President Joe Biden (fresh from the beach in Delaware) said “no.”

- That is obviously political madness.
- If the murder of hostages wins indulgences, surely Hamas has the incentive to murder more hostages.
- But it is more importantly, moral madness.
- Handing a victory to the very monsters who currently hold toddlers and threaten to shoot them in the head is the essence of cowardice.
- It's worse. It's complicity in evil.

Depriving evil actors of agency means leaving them free to pursue their worst designs – secure in the knowledge that the more savagely they act, the more they will be excused for their cruelty. The West, in this view, can never triumph but through surrender.

This philosophy will destroy the West from within as well as from without.

- Cowardice is the greatest aid to evil.
- In fact, it is its own form of evil – for without it, evil could never win.

A West incapable of distinguishing between those who kidnap and murder hostages in pursuit of Islamist theocracy and those who seek to free those hostages is a West that simply cannot survive.

An article by Kate McManus titled “[Liberal Lawyer Alan] Dershowitz to Newsmax: ‘Hitler Youth’ on Campuses Encouraging Hamas” was posted at newsmax.com on Sept. 2, 2024. Following are excerpts of the article.

The “Hitler youth” on college campuses are encouraging the murders of Israeli hostages, Alan Dershowitz (professor emeritus at Harvard Law School) told Newsmax on Monday.

Dershowitz said on “Newslive”: “Everywhere, on every college campus, these people are calling for, for example, a cease-fire. None of them are mentioning that Israel has accepted the cease-fire, and it’s Hamas that refused it. There isn’t a single demonstration against Hamas. A single criticism of Hamas. These Hitler youth (who are marching on college campuses today) are the ones who are encouraging the murders of people who are hostages, and the failure to return these hostages.”

Dershowitz added: “I don’t like the motto ‘Bring them home, Bring them home.’ Sounds like the burden’s on Israel to bring them home. It [should be], ‘Let them go.’”

Dershowitz also criticized university authorities who allow anti-Israel protests on their campuses, saying they would “never dream of encouraging protests that are anti-Black or anti-gay or anti-women . . . You know, you’re not in favor of free speech, when it’s free speech for me, but not for thee.”

Dershowitz also noted that Hamas leader Yahya Sinwar has no incentive to agree to a cease-fire.

He said: “If I’m Sinwar sitting in a tunnel somewhere, and I see the president of the United States criticizing Netanyahu, I say: ‘Hey, it’s working. Let’s keep this going. Why should we do

a cease-fire? We're winning. We're winning on university campuses. We're winning with the President of the United States. We're winning with the man who's running for vice president of the United States. We're winning all of these condemnations of Netanyahu.' ”

The shine on Kamala Harris is wearing off fast. People forget that the first few weeks of her 2019 campaign were not a total disaster area; it took a few weeks for the shine to wear off.

But now it’s wearing off, so the Democrats are activating Operation Russiagate II.

The Biden-Harris administration is making noise about Russia interfering in our elections again. Yesterday, Attorney General Merrick Garland announced indictments and seizures of internet domains related to Russian interference in the election.

Isaiah 55:6-11–“Seek you the Lord while He may be found, call upon Him while He is near.

Let the wicked forsake his way, and the unrighteous man his thoughts; let him return to the Lord, and He will have mercy on him; and to our God, for He will abundantly pardon. 'For My thoughts are not your thoughts, nor are your ways My ways,' says the Lord. For as the heavens are higher than the earth, so are My ways higher than your ways, and My thoughts than your thoughts. For as the rain comes down, and the snow from heaven, and do not return there, but water the earth, and make it bring forth and bud, that it may give seed to the sower and bread to the eater, so shall My word by that goes forth from My mouth; it shall not return to Me void, but it shall accomplish what I please, and it shall prosper in the thing for which I sent it."
