Luke 21:34-36—“But take heed to yourselves, lest your souls be weighed down with self-indulgence, and drunkenness, or the anxieties of this life, and that day come on you suddenly, like a falling trap; for it will come on all dwellers on the face of the whole earth. But beware of slumbering; and every moment pray that you may be fully strengthened to escape from all these coming evils, and to take your stand in the presence of the Son of Man” (Weymouth New Testament).

Notice what Goldie Gharmari posted on x.com on April 5, 2026.

Goldie Gharmari posted an excerpted video (eight seconds) on April 4 by Dr. Maalouf with the following description: “Breaking: Iranian civilians in Dehdasht are reportedly blocking the streets to prevent Islamic regime forces from searching for the second pilot”

Goldie Gharmari commented about the video: “Notice how no one’s honking or yelling about the blocked roads. Everyone is just casually standing around, calmly talking. This traffic jam is on purpose. It’s meant to slow down and even block IRGC and Bassij terrorists from getting to the pilot. I told you that Iranians in occupied Iran were mobilizing to help our American and Israeli allies rescue the second US pilot. There’s absolutely no other reason why Iranians were out like this, so late at night and during a war, randomly blocking roads and streets. The people of Iran are allies of the United States and Israel.”

-
1. Student Loan Forgiveness for Lawyers Who Provide Legal Service to Illegals
 2. Importation of Illegal Aliens Who Had Already Been Deported
 3. Exemptions From FICA Taxes
 4. Halt Deportations
 5. Grant Permanent Residency
 6. Attorney General Can Stop Deportation for Family “Hardship”
 7. Wipes 3/10 Year Bans
 8. Illegals With DUI or DWI Convictions Can Stay

An article by Joseph Chalfant titled “These 20 Republicans Are Pushing for an Amnesty. Is Your Congressman on the List?” was posted at townhall.com on April 7, 2026. Following are excerpts of the article.

A contingent of House Democrats and Republicans have banded together to advance an amnesty bill that they definitely want you to think is not actually an amnesty.

20 Republicans so far have joined in as co-sponsors on the bill – betraying the agenda of the Trump administration and the will of the electorate.

The bill would create a “pathway to legal status” for those who illegally entered the country and successfully evaded deportation before 2021. Illegals would simply have to prove that they have no criminal record (other than, you know, breaking federal law to enter the country illegally) and pay \$1,000 to gain legal status. They would then be allowed to remain in the United States for another seven years with legal status.

Of course, after that legal status ends, there are no means to prevent them from simply overstaying. And with the birthright citizenship executive order on life-support, those with newfound legal status would have seven years of impunity to give birth to new American “citizens.”

One co-sponsor of the bill even admitted that the pathway to citizenship is coming down the road, and that this bill essentially exists to buy illegals time so that they can get to the finish line. But again, these people really want you to believe that this isn’t an amnesty.

The bill also doubles the per capita rates for countries like Mexico, China, and India for work visas – ensuring that an even greater number of illegal immigrants are able to enter the United States.

In essence, the bill is an amnesty in all but name.

What’s more is that it ensures that an even greater number of foreign workers are able to flood the American labor market to drive down wages and displace native workers. The bill is a blatant betrayal of the America First agenda.

Charlie Kirk had issued warnings about the bill in July 2025, just months before his assassination. Still, some House Republicans are committed to protecting illegal immigrants over American citizens.

On July 17, 2025, Charlie Kirk wrote: “Warning – There are a handful of Republicans in Congress pushing the so-called ‘Dignity Act of 2025’ which would shield illegals from deportation if they’ve been in the U.S. since before 2021. Here’s the trick: We do NOT know when many, or perhaps most, illegals entered the U.S. All they’d have to do is say the magic words and they’d be allowed to stay. At best their case would be bogged down in court for years. This is a ruse. Do not fall for it. This will grind President Trump’s mass deportations to a halt. This is worse than ‘soft amnesty.’ This de facto ends the mass deportations Americans just voted for.”

When in doubt, listen to Charlie.

Isaiah 55:6-11—“Seek you the Lord while He may be found, call upon Him while He is near. Let the wicked forsake his way, and the unrighteous man his thoughts; let him return to the Lord, and He will have mercy on him; and to our God, for He will abundantly pardon. ‘For My thoughts are not your thoughts, nor are your ways My ways,’ says the Lord. For as the heavens are higher than the earth, so are My ways higher than your ways, and My thoughts than your thoughts. For as the rain comes down, and the snow from heaven, and do not return there, but water the earth, and make it bring forth and bud, that it may give seed to the sower and bread to the eater, so shall My word by that goes forth from My mouth; it shall not return to Me void, but it shall accomplish what I please, and it shall prosper in the thing for which I sent it.”
